

Sponsorship Form

Thank you for your interest in the Quassapaug Sailing Center, a non-profit educational organization. The Quassapaug Sailing Center is dedicated to organizing and providing sailing instruction, encouraging and promoting sailboat racing and good fellowship between persons actively interested in sailing and other water sports.

As a non-profit, the Center depends on the energy and support of its sponsors to fulfill its mission. The Center has no paid staff other than its certified sailing instructors and is dependant upon our sponsors to perform all roles to enable and facilitate the programs. Our budget is supported by program fees, sponsorships and grants.

If you are interested in becoming a sponsor of the Quassapaug Sailing Center, please feel free to call Director Ralph Gilnack at 203-723-4801 or email at qycr@sbcglobal.net with the following information or mail to the address above. We will contact you shortly afterwards to answer any questions you may have and to meet you at QSC if you would like to tour the property.
