

Quassapaug Sailing Center February, 2021 Newsletter

Dear Quassapaug Sailing Center Member/Sponsors,

It is still winter, but the days are getting longer and we are planning for the summer!

Sponsorship/Membership – New Membership/Sponsorship form is available on the Website
<https://www.qsailingcenter.org/sponsors.html>

The board has decided, due to Covid-19, QSC is limiting membership/sponsorship for the 2021 season to 125 families. This is a much larger number than the 102 family member/sponsors in 2020. But also means you should sign up early before we fill up.

We believe this will still allow enough space for proper social distancing while at QSC. We also believe this will eliminate the need for our waiting list.

Watercraft Storage Fee – We are trying something new. All watercraft stored on the QSC Property are required to display a registration sticker. QSC will be issuing tickers at \$20 per watercraft. Watercrafts include all types of boats, kayaks, and boards. The new sponsorship form has a place to enter how many stickers you will need.

Gary Bruce will be the Watercraft and Rack Czar. He will be issuing the stickers and in charge of assigning rack space.

Our goal with this new method is to make more rack space by having unused boats removed by their owners.

COVID-19 Rules – The QSC COVID rules from last year stay in effect for 2021. The board will be reviewing them every month. Hopefully the pandemic abates and we can remove the rules, but time will tell. Current rules are on the website https://www.qsailingcenter.org/pdf/2020/QSC_Covid_19_Policy.pdf

Sails and Trails Camp – We are looking for ways we can run a safe camp in these times of COVID. More details soon. We are looking for counselors, please contact me if you know someone who might be interested.

Board of Directors – We are looking to fill a board seat with someone who would be interested in leading our marketing effort for our camp. Please send an email to at manager.qsc@gmail.com if you are interested or know someone that might be good at marketing.

Please, enjoy the winter and stay safe, there is a nasty virus out there.

For questions or suggestions, email us at manager.qsc@gmail.com or leave a message at 203-758-2241.
