

Quassapaug Sailing Center COVID-19 Policies for using the property

QSC_Covid_19_Policy_rev5.3 5/22/21

The QSC Board is very concerned with the ongoing pandemic of COVID-19. We do realize that an outdoor exercise is good for personal wellbeing and emotional health. These guidelines can change at anytime.

Our facility is open for outdoor enjoyment. Sponsors are encouraged to follow these guidelines to enhance social distancing. Following state and federal (CDC) guidelines the QSC Board is suggesting the following use of our facility:

1. Unvaccinated folks should wear face masks while on the QSC property.
2. We requiring that facemasks be worn while moving about the property during camp hours: 9am-4pm Monday through Friday. The campers will be wearing masks and many are not vaccinated.
3. **The building:** ground floor of the building will be open. The bathrooms, kitchen, and social room will be available for use. Masks are to be worn in the building. Please maintain 6' social distancing.
4. The second floor of the building will be available for access to one's personal property,; lockers, SUPs, kayaks... Masks are to be worn in the building and be very conscious social distancing.
5. **Docks and Floats.** There will be no seating (sunbathing) allowed on the swim or the sailing dock. The docks should be used as passage to and from the water. The green floating dock may be used for sunbathing. Please keep proper social distancing on the green dock and the swim raft. Do not go there if it is crowded!
6. **The Guest Policy:** The Guest policy is amended to allow 4 guests per sponsor/member family. The guest and their sponsors are subject to the usual Guest rules (Only twice a month, must be with the sponsors at all times, \$5 guest fee....). Please make sure your guests know and understand our policies.
7. **Picnic Tables, benches and grills** will be available. Please be prepared to sanitize the Tables and Benches.

Corona Virus is not gone and still is dangerous. Reducing community spread of coronavirus is imperative, and QSC asks sponsors to the Quassapaug Sailing Center to take the following steps to enhance "social distancing" when enjoying the property.

- If you're not feeling well, stay home! Signs and symptoms of coronavirus include fever, cough and shortness of breath.
- Observe the CDC's minimum recommended social distancing of six feet (or more) from other people, whether you're walking, biking, hiking, swimming, sailing, SUPing, kayaking or just sitting in the sun.

- Please wear a mask as you move around the property and absolutely inside of the building.
- Follow the CDC's guidance on personal hygiene prior to heading to QSC. Wash your hands, carry hand sanitizer, cover your mouth and nose when coughing or sneezing, and avoid surfaces that are touched often, such as doorknobs, handrails, and equipment.
- Get Vaccinated!!!! The entire QSC Board of Directors is vaccinated.

Access and Changes to Operations:

QSC will be closely monitoring state and federal guidelines for minimizing the spread of COVID-19 and will make further adjustments to the Sailing Center operations as needed. If you have comments or suggestions, please send them to manager.qsc@gmail.com .
